

# DRAINAGE TECHNOLOGY

**Spare parts for Advantix systems and  
backflow traps**

## Spare parts for shower channels, drains and backflow traps

### **Subject to change without prior notice!**

Latest Z- and installation dimensions as well as further technical information can be found on the Viega website and have to be checked before purchase, planning, construction work and use. Our products are continuously optimised.

This product description contains important information on choice of product and system, mounting, commissioning as well as intended use and, if required, on maintenance measures. This information on products, their features and application techniques is based on currently valid standards in Europe (e.g. EN) and/or in Germany (e.g. DIN/DVGW). Some passages in the text may refer to technical regulations in Europe/Germany. These should be considered as recommendations for other countries where no corresponding national requirements exist. The relevant national laws, standards, regulations, directives and other technical provisions take priority over the German/European directives specified in this product description: The information herein is not binding for other countries and regions and should be understood as recommendation.

# TABLE OF CONTENTS

Advantix Cleviva	4
<b>Advantix</b>	
Shower channels, series until 2015	5
Shower channels, series from 2016	7
Shower channels 67 mm, series up to 2016	9
<b>Advantix Vario</b>	
Shower channel wall	10
Shower channels	12
<b>Advantix drains</b>	
Corner drains	14
Bath drains system dimension 100	15
Floor drains system dimension 145	16

**GTIN-Code (Global Trade Item Number previously EAN-code)**  
 The GTIN number consists of the constant manufacturer number 4015211 and the six-digit article number, in this example 305 611. The exchange of the last six digits for the article number reveals the GTIN code.

## ADVANTIX CLEVIVA

### Advantix Cleviva Height adjustment piece

- suitable for Advantix Cleviva shower channel model 4981.10, Advantix Cleviva shower channel base unit model 4981.80

- plastic

**Model 4981.84**

PU	Article	DG
1	794 446	90

### Advantix Cleviva Sealing collar

- suitable for Advantix Cleviva shower channel model 4981.10, Advantix Cleviva shower channel base unit model 4981.80

**Model 4981.82**

PU	Article	DG
1	794 422	90

### Advantix Cleviva Mounting flange

- suitable for Advantix Cleviva shower channel model 4981.10, Advantix Cleviva shower channel base unit model 4981.80

- plastic

**Model 4981.83**

PU	Article	DG
1	794 439	90

### Advantix Cleviva Sieve insert

- suitable for Advantix Cleviva shower channel model 4981.10, Advantix Cleviva shower channel base unit model 4981.80

**Model 4981.85**

PU	Article	DG
1	794 453	90

### Drain pipe

- for connection to the wastewater system
- plastic
- non-adhesive

**Model 4981.86**

DN	PU	Article	DG
40/50	1	794 521	90

### Advantix Cleviva Shower channel fixing set

- stainless steel

#### Components

holding clamps, fixing screws, plastic dowels
