## **TECHNICAL SUPPORT MANAGER (M/F)**

At Viega the power of innovation and entrepreneurial vision are success factors. We are looking for an engaged and ambitious employee for the support of our sales team to expand the market penetration of Viega.

### **Your tasks:**

- Technical support to all target groups
- Training and advice to colleagues about products and their applications.
- Technical trainings for customers, both locally and in Germany.
- Preparation and updating of Company presentations
- Calculation, sizing and estimation of potable water and heating systems
- Management of technical complaints and on-site consultancy if necessary
- Localisation of installation instructions and product data sheets
- Drafting of tender documents
- Technical analysis of competitors
- Collaboration with Viega marketing division

### **Your profile:**

- You are in possession of a Mechanical Engineering Degree or a comparable qualification
- You have at least 3 years of work experience in the Sanitary and Heating industry
- You have good familiarity with Auto CAD-based applications with knowledge of BIM
- You can work proficiently with MS office (mainly Word, Excel, and PowerPoint)
- Willingness to travel to Germany for technical trainings
- You are a self-starter, able to work unsupervised

### **Our Benefits:**

- Intensive familiarisation, followed by a period of close support as you develop your operational and individual ability
- Our conditions are attractive and correlated to your responsibility.

**Please send your application to: Scott James, Managing Director, Viega Ltd, [scott.james@viega.co.uk](mailto:scott.james@viega.co.uk)**
